Dear Mr. Coleman,

Thank you for your clarification. The Office of Surface Mining Reclamation and Enforcement (OSMRE) received your FOIA request dated April 2, 2018, and assigned it control number **OSMRE-2018-00104**. Please cite this number in any future communications with our office regarding your request.

We have reclassified you as a "media-use" requester. As such, we may charge you for some of our duplication costs, but we will not charge you for our search or review costs; you also are entitled to up to 100 pages of photocopies (or an equivalent volume) for free. See [43 C.F.R. § 2.39](#). If, after taking into consideration your fee category entitlements, our processing costs are less than \$50.00, we will not bill you because the cost of collection would be greater than the fee collected. See [43 C.F.R. § 2.37\(g\)](#)

Because we will need to consult with one or more offices of the Department in order to properly process your request, we are taking a 10-workday extension under 43 C.F.R. §2.19.

If you have any questions and/or concerns regarding your request, or any of the issues discussed in this email, you may contact me.

Sincerely,

Dele Awoniyi
